2021 European Masonic Meeting-Birmingham Postponed until 2023

It is with great regret and sadness that in view of the prevailing Covid 19 Virus pandemic spiralling out of control across the world, the organising committee of the EMM 2021 have reluctantly taken the decision to cancel this year's meeting and postpone it until 2023.

You will see from our website that a huge amount of planning has gone into the 2021 EMM, which would have ensured that our guests from the UK, Europe, and further afield would have received a very warm welcome to our beautiful city and our programme of events would have made a wonderful long weekend.

However, we believe we will be in a much better position to offer a warm and, most importantly, a safer welcome to Freemasons and guests in Birmingham in June 2023.

Next year, 2022, the City of Hamburg are planning to host the EMM and Brethren from Athol Lodge will be attending to support our friends there and to provide more details of the plans for 2023.

We are very sorry to have to deliver this news but, in light of the ongoing COVID 19 situation, we believe this is for the best for brethren, family and friends who were planning to attend the EMM this year. We have written to all those friends who were intending to visit Birmingham this year and we will be in touch with details for Birmingham EMM 2023 in due course.
